Note from Pine Shores President, Tom Rutledge...

Most art organizations do not have even one gallery home but how fortunate Pine Shores is because now we have two. We have our original Gallery home in Manahawkin and now our new annexed Gallery in Tuckerton. If you haven't seen this one you should make it a point to. It is a jewel, a real showpiece.

The members opening drop-off and combined reception on July 23rd was spectacular. It was well attended and as the many paintings were placed on the walls it became more and more a reality. Yes, it took many volunteers to help put this Gallery together, both in the organization and out of it and I thanked them all at the reception.

There is one person though who really deserves most of the credit, the head of the transition committee, Dee Turba. She was a dynamo. She was there during the day, she was there at night. She was there when the volunteers were there and when they weren't. She worked when she felt good and worked when she was tired. All of the ideas were hers and they worked. She deserves THANKS, and I THANK her here. If you see her THANK her! Now we look forward to the Grand opening, the Town opening on September 17th, Be there, you'll love it! Both the Gallery and your beautiful paintings.
