

THE POWER OF PASTELS

A 2 Day Workshop

Still Life and Figures

July 29 and 30, 2022 from 10:00 to 3:00

with: Jeri Greenberg

DAY ONE: STILL LIFES:

Jeri will discuss what makes a good set-up, good composition of a still life and importantly, good lighting.

DAY TWO: FIGURE WORK: Jeri will supply you with photos of figures in scenes from life. Because we won't have a model to work from, she will incorporate figures into the story you are painting.

If you wish to bring in photos of your own, that is fine, but Jeri will be supplying photos to work from.

Join us as we explore the beauty of everyday object and make the ordinary extraordinary!

This class is open to all students.

The class fee is \$110 for nonmembers and \$80 for members
