October 2022

Pine Shores Art Association

## **Note from Pine Shores President, Tom Rutledge...**

In the Art world fall is technically the start of the Art year. Correspondingly Pine Shores has a fall show at our Main Gallery in Manahawkin during the month of November. This exhibition of paintings is open to all of our members, and it is my fervent hope that you are getting a painting ready for this exciting exhibit. Then a show soon to go up for October in the Pine Shores Gallery at Tuckerton is a double exhibit of the works by two members, Dee Turba and Nancy Glines. I recommend that all go see the works of these two fine artists. Why? First, as with all fine art exhibitions you will enjoy it, second, it can help to inspire us as we create our own painting for the upcoming November Fall Show at the Main Gallery in Manahawkin.
