

ACRYLICS ARE NOT JUST FOR PAINT BY NUMBERS

Discover the Versatility of this Unique Medium

July 8, 15 and 22, 2022

From 10:00 to 2:00

with: Tom Rutledge

Acrylic is a very versatile painting medium. It can be used in both light and heavy consistencies. Since it is a water plus polymer based paint it can be thinned down to create a fluid look. On the other hand, it can be applied like oil paint in a thick heavy impasto.

Tom will explore using acrylics in both a seascape and landscape situation.

If you have thought about trying acrylics but didn't want to go to the expense of purchasing materials, this is a perfect opportunity. All supplies are included.

This class is appropriate for intermediate and .advanced students
